PARTICIPANTS: 12 teams of 4 players maximum.

DEVELOPMENT OF THE COMPETITION:

• **DIRECT CONFRONTATION BETWEEN THE NATIONS:**

- 4 groups of 3 teams.
- In each group, all the teams meet. Therefore, each team plays two games.
- Possibility for the teams to swap players for each game.
- For every game, a victory gives 2 points, a draw 1 point, and a defeat 0 point.
- If there is a draw at the end of the 3 games, there will be a decisive game with the rules of the Bowl Throw Game with a target placed in the middle of the valid rectangle for the jack throw :
 - 2 bowls and 2 throws (target: white jack). A draw will decide whether the players first bowl or throw. The order in which they play is decided by a draw.
 - If the tie persists, the game will be played again in the same conditions (players, running order and alternation) and will stop when the tie no longer exists.
- The 4 teams that are graded 1st in each group are qualified for the semi-finals. In case of a draw between the 3 teams of a group, these teams will play a decisive game as it is explained above.

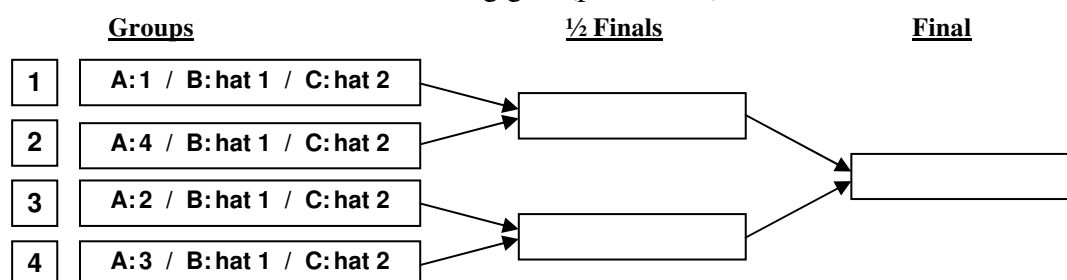

• **MEETING BETWEEN TWO TEAMS:**

- **1st Round: PRECISION THROW**
 - Direct confrontation between the two players. The order in which they throw will be drawn.
 - A draw is possible.
